Ages we teach; we start at 5
years old, if they are ready to
learn. Teens and adults there
is no age limit. You are
never too old to start
learning. Classes are for
boys, girls, men and women.

We teach kata, weapons,
sparring, breaking boards
self defense, break falling,
judo, and more.

We started together as a
family in our training,
came up through the ranks
together and now we run
the school together.

Karate is something you
can do as a family, or as an
individual.

It is a way of life for us, let
it be for you as well.

Thank you,
Polly & Gary Melick
